MICHELLE GETS IN A WRIGHT STROP!

**She's fuming how
close hubby is to his
'TV wife'**

JEALOUS:

ACTRESS Michelle Keegan is said to be FURIOUS over hubby Mark Wright's flirting with his Yank TV co-host Renee Bargh.

Mark, 31, has been leaving flirty comments on 31-year-old Renee's social media pics with one saying: "She wakes up like this."

However, his comments have left Michelle, 30, enraged and jealousy has reportedly reared its ugly head.

As well as leaving comments on Renee's photos, Mark 'liked' a series of photos of his blonde co-host of US telly show *Extras*.

But a source said former *Corrie* actress Michelle has had enough, adding: "She is sick of it and has accused Mark of having a 'work wife'."

"She knows nothing is going on, but she finds it disrespectful that Mark has forged a bond with a pretty female co-worker, and that he would then follow that up by constantly engaging

with her on social media.

"It's a slippery slope, and Michelle has asked Mark to put himself in her place and see how he would feel if the shoe was on the other foot."

Mark's behaviour on social media has also reportedly poured cold water on Michelle's plans to move out to L.A.

The source added: "She is fed up of just rolling over to meet his needs, especially if he's going to be cheeky and flirt with other women on Instagram."

CHERYL WANTS BABY 2

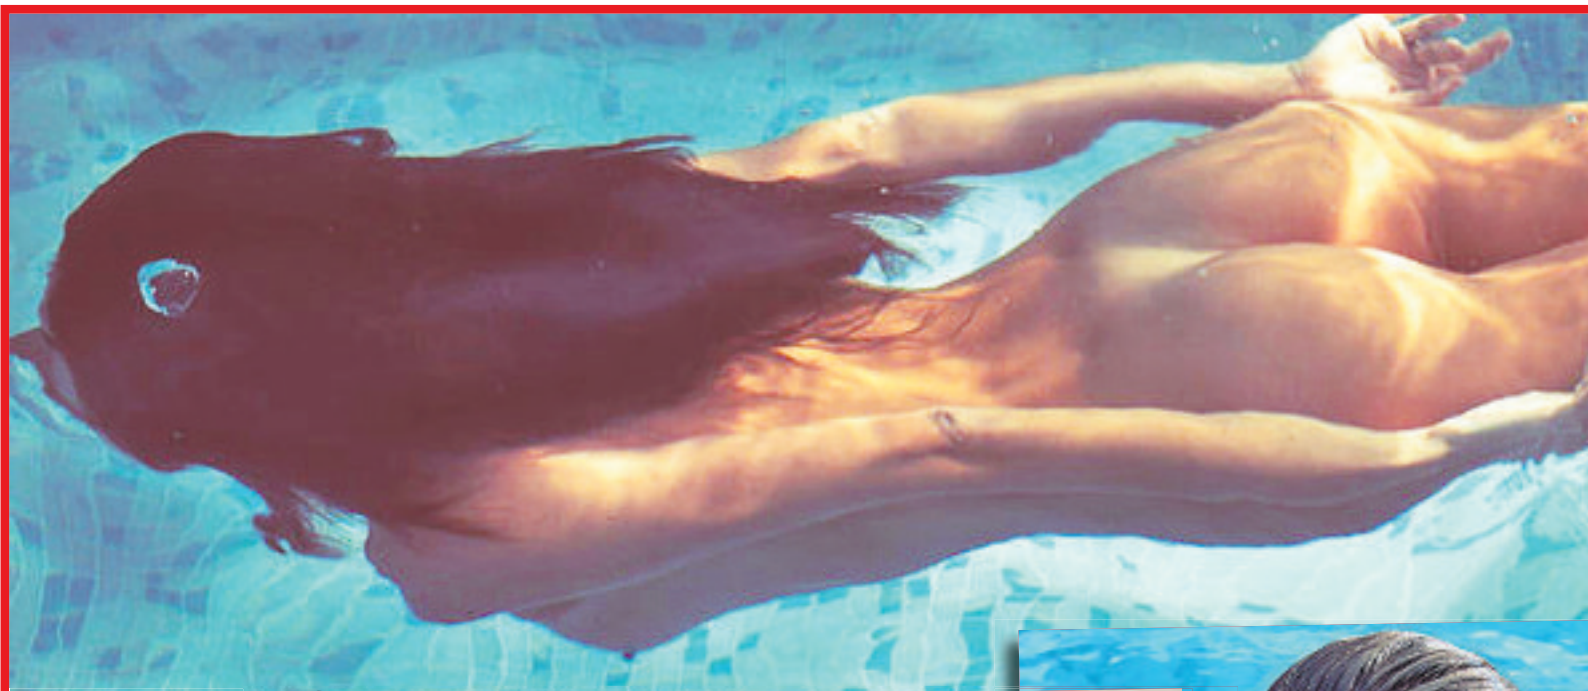

REPORTS of a split have dogged Cheryl Tweedy and her toy boy lover Liam Payne for months - but instead of parting ways, Chezza allegedly wants **ANOTHER** baby with him.

The pop star couple already share their son Bear, 1, but Cheryl, 34, is keen on having a baby girl with Liam, 24.

A source said: "A part of her would love nothing more than to have another child as soon as possible."

"And she can't help but get a little gooey every time she sees cute little girl outfits."

Boy, 12, arrested with loaded rifle

A BOY aged 12 who was walking down a street with a loaded AR-15 rifle has been arrested.

He was nicked over the weekend and cops say a 19-year-old man carrying a handgun was also arrested.

Ploice in Philadelphia posted a picture on Twitter of an officer with the seized guns.

The 19-year-old faces charges including terroristic threatening and corruption of a minor.

No charges have been announced for the 12-year-old.

The department urged parents to ensure that weapons are secured.

SWIM STAR CLEARED OF SEX ATTACK

A COMMONWEALTH Games swimmer has been found not guilty of raping a woman who claimed he forced himself on her shortly after she had consensual sex with his friend.

Otto Putland, 24, who represented Wales at the 2014 Games in Glasgow, denied raping the woman after a night out in July 2015 and was acquitted by a jury of seven women and five men at Cardiff Crown Court yesterday.

The woman, who first came

forward in November 2016, said she went home with Olympic swimmer Ieuan Lloyd after meeting him in a club and had consensual sex with him.

She said when Putland came in to the room and sat on the bed after Lloyd left, she made it clear she did not want

to have sex again, telling him they could not "pass her around", saying "no" and turning her head away.

Putland denied her claims and said the woman had been "very friendly and happy and flirtatious" while they were chatting after he had been introduced to her by Lloyd.

He said it was her demeanour which led to him kissing her, her returning his kisses, and then to having

consensual sex and that the woman did nothing to make him think she was not consenting.

In his closing speech, Christopher Rees, for the defence, reminded jurors this was not a "court of morals".

He said: "Bad sex is not rape. Sex after one party has persuaded the other to have sex consensually is not rape. 'Regretted sex is not rape.'"

Mr Rees said there had

been "glaring inconsistencies" in what the woman told people at various times about the night.

"She had the opportunity to say 'no' and she did not say anything," he said.

"She did not stop it. She did not call out to Ieuan Lloyd. She did not call out to anyone at all.

"From that you can infer that she did consent, or may have consented."

'Gang in fatal attack were like vultures'

A DEFENCELESS youth was murdered by a gang of rival teens who set upon him "like vultures" during a "revenge attack", a court has been told.

Kyle Yule suffered five stab wounds and a number of blunt force injuries on October 6, and died the next day.

Maidstone Crown Court heard the 17-year-old sustained a fatal blow to his right armpit, which cut an artery, after he was chased in Gillingham, Kent.

Victor Maibvisira, 19, three 17-year-old men, and a 16-year-old are on trial for murder.

All five deny killing Mr Yule and are also accused of violent disorder, with one of the 17-year-olds also facing a count of affray.

The court heard that previous conflicts between two groups from Chatham and Gillingham leading up to the murder "provide a motive for the attack".

An eyewitness told the police the group chasing Mr Yule "were on him like vultures, kicking and punching him", the court heard.

The trial continues.

A FORMER British Army medic who started selling *The Big Issue* magazine after sleeping rough in a cave is toasting a new job – as a tour guide in a brewery.

Bill Webb, 62, managed to get his own flat in Bournemouth after becoming a *Big Issue* vendor and taking part in the mag's charitable arm.

He has now become a tour guide at Southbourne Ales' brewery after taking part in public speaking workshops at the local university.

He said: "I did the tour to see what was expected of me, then I added my own touches while rehearsing at home."

Brewery owner Jennifer Tingay said: "He's a confident public speaker, he's knowledgeable about the industry and he's got a really positive outlook, so it is great to be able to give him this opportunity."

COURT HEARS WHAT TEACHER TOLD BOY:

A TEEN told police it was "every lad's fantasy" as he described a secret affair with his teacher, a court has heard.

But the youngster, then aged 15, said he was later "creeped out" after having sex with Deborah Lowe – 35 years his senior, and a teacher at his high school – Minshull Street Crown Court in Manchester heard.

He said the pair began a sexual relationship after "flirting" at school then swapping phone numbers and engaging in phone sex.

He claimed they had rough sex at her flat and liaisons in her car and caravan, when Lowe liked to be called a "slut" in the bedroom.

The youngster later told police: "I was 15 at the time but obviously, it's like every lad's fantasy isn't it, to have sex with a teacher?"

Bedroom

Lowe later sent the youngster a card, writing inside: "Who else can I be a slut with?" but it was found by his mother and police were called.

He told officers: "She likes to think of herself as a slut."

"She likes me calling her that. Especially in the bedroom with her."

Lowe, in charge of

By PAT HURST

news@sundaysport.co.uk

pastoral care at her high school, told police sex did take place between them, but the boy was then 17 and had left school.

She denies six sex offences.

Yesterday the jury was played the youngster's police video interview where he detailed their relationship.

He said other teachers were in the room when he suggested swapping numbers, so it was done "low key", and later that night she rang him.

Horny

The witness said: "She's like, 'You make me so horny', and all of that stuff. 'I was, 'Oh right, I will roll with that'. It was my first time having phone sex. I didn't know what to say."

"She was properly going with it. Telling me what she was doing, telling me what she wanted me to do, imagining me being there and what I would be doing with her."

The day after he said he felt "awkward" in school and ignored her, but the phone sex continued days later.

Around a month later she picked him up and took him to her flat in Bramhall, Stockport, the court heard.

Lowe showed him around the place and then invited the 15-year-old into her bedroom, saying: "Come in here."

The boy told the officer: "I couldn't really say no, could I? I'm already in her home."

He said Lowe told him to undress and then they lay on the bed.

He told the officer: "She just started kissing me and that, she bit me a little bit. She wanted me to pull her hair and bite her, she liked that sort of shit."

Again he said he felt "awkward" in school afterwards, and Lowe warned him to keep their liaisons secret.

He added: "She said, 'Don't tell anyone because I could be in big trouble. Keep it between me and you'."

Further sexual touching happened after Lowe picked him up in her car, he said.

"She purposely unbuttoned the top of her blouse and she was not wearing a bra."

Begging

They had full sex a second time at her flat, when he was 16, after Lowe sent him a text begging for sex, the court heard.

The boy continued: "I was being a teenager. I was pretty horny and that. She was pretty up for it."

"She scratched my back, I had blood on the bed, she fully scratched my back, she bit my lip again and I thought, 'Why are you doing this?'"

Sex carried on when he turned 17, at her caravan, until the summer of last year, he said.

Lowe later paid for him to have a tattoo and insisted it contain a romantic design, he claimed.

She then begged him for sex and later sent him a text saying he was "The best f**king shag I have ever had in my life", he said.

Lowe denies one count of sexual activity with a child and five counts of sexual activity with a child by a person in a position of trust between April 1 2015 and June 30 2016.

The jury heard Lowe accepted she had sex with the boy, but only after he had left school so it was not an abuse of her position of trust.

The exact time the relationship began is the central issue in the trial that the jury must decide, the court heard.

The trial continues.

Danni brands Big Bro star a 'f**king nonce'

FORMER *EastEnders* star Danniella Westbrook branded ex-*Big Brother* contestant Simon Gross a "f**king nonce" in a bizarre rant.

He claimed the 44-year-old (above) used the offensive slur as she berated him over the phone.

Simon – who was first to be evicted when he appeared on *Big Bro* in 2015 – said he'd been left devastated by her cruel comments.

He said: "Danniella called me a f**king nonce and said I was sad and desperate."

"It left me so upset and it's completely knocked my confidence."

"I'm so scared I'll run into her and she'll be nasty to me."

"She's so erratic – it's actually terrifying. I'd love to know why she thinks she can speak to me like that when we'd never even met."

"To call me a nonce is disgraceful. I thought Danniella was amazing in *EastEnders* and she is a really talented actress. But this has made me really dislike her."

THE Generation Game reboot has lost 2.2 million viewers in a week, after the show was slammed by critics and fans.

The second episode of the game show, which was previously hosted by Sir Bruce Forsyth, pulled in a peak of 3.9m viewers, a huge drop from the 6.1m who tuned in for the show's debut episode a week earlier.

Following the show's first episode, fans took to social media to criticise the use of canned laughter, its skits and presenting duo Mel and Sue.

The second episode brought further anger with one fan posting: "Quite possibly the worst thing I've seen on TV this year."

Drug dealer snared by till girl lover's flashy online pics

By COLIN HURST

news@sundaysport.co.uk

A LIDL supermarket girl used her lover's cocaine-dealing to fund a lavish lifestyle – but ended up in court after posting self-incriminating pics on social media.

Emily Lock, 22, was nabbed after sharing selfies of "extravagant" holidays in Miami, Paris and Dubai.

She also showed off her wardrobe of designer clothes, handbags and jewellery – despite her earning only £10,000-a-year as a checkout worker in Lidl while studying law and criminology.

She was caught out by posting pics on Instagram of fashions by Chanel, Versace Louis Vuitton and Christian Louboutin along with Christian Dior perfume from her shopping trips around the world.

Prosecutor Roger Griffiths said: "She posted pictures of herself living the high life on Instagram."

Extravagant

"Her real salary was far removed from this kind of extravagant lifestyle."

Mr Griffiths added that £50,000-worth of designer goods were found from luxury brands including Rolex, Gucci, Cartier and Vivienne Westwood.

She posted pictures of her shopping at Harrods and in Dubai and was due to fly out for a break in Thailand but was arrested before the trip took place.

Merthyr Tydfil Crown Court heard her lavish living was actually funded by her drug-dealer boyfriend Mark Price, 27, who made £1,600-a-week from selling cocaine.

Price and his drug gang

were rumbled when police raided their homes and found evidence of their dealing operation.

Price – who drove a £33,000 Audi S4 – admitted possession with intent to supply cocaine and fraud.

Lock admitted acquiring criminal property.

Andrew Taylor, defending Lock, said she achieved three grade A's at A-level and was taking a degree in law and criminology.

She hoped to train as a

'KIM KARDASHIAN LIFESTYLE': Emily Lock and Mark Price were snared by online photos

probation officer but started working part-time at Lidl to earn money, before she became obsessed with living like a celebrity.

Mr Taylor told how "many young people today are fixated by having a Kim Kardashian type of lifestyle."

He added: "She likes the high life but she is devastated by her arrest. She has been incredibly naive and has lost everything."

Lock, of Llanbadrach,

near Caerphilly, was jailed for 15 months as her boyfriend Price was jailed for seven years after admitting acquiring criminal property.

Jeffery Jones, defending Price, claimed he had been "immature" and said he was "not a racketeer".

But Judge Tom Crowther QC replied: "He was a racketeer, but he wasn't very good at it."

"You don't get mitigation for being a bad drug dealer."

Fellow gang member Kyle Crowley, 28, admitted supplying cocaine and producing cannabis and was jailed for five years.

His partner Dionne Thomas, 25, admitted acquiring criminal property and was handed 120 hours of unpaid work.

Christopher Morgan, 30, admitted producing cannabis with intent to supply and was jailed for 20 months.

Oscar runs out of road for appeals

PARALYMPIAN Oscar Pistorius has finally run out of options to appeal against his 13-year prison sentence for the murder of his girlfriend Reeva Steenkamp, legal experts have said.

South Africa's highest court dismissed his request to review the prison sentence on Monday, bringing a close to a five-year legal saga surrounding the man who was once one of the world's most celebrated athletes.

Pierre de Vos, a constitutional law expert at the University of Cape Town, said: "There is nothing they can do."

Last year, the Supreme Court of Appeal more than doubled Pistorius's six-year sentence for the murder of Ms Steenkamp, a 29-year-old model who he shot four times through a locked bathroom door in his home on Valentine's Day 2013.

The double-amputee runner, who is 31, claims he mistook his girlfriend for an intruder.

OLD WAGE PENSION

AROUND one in seven under-45s worry they will never be able to retire, while a quarter say they'll have to work past 70, a survey by Moneyfacts.co.uk found.

Student's threat to lecturer...

I'LL CHOP OFF YOUR PENIS AND STICK IT UP YOUR BOTTOM

ABUSIVE EMAIL: Christol sent 'ugly as f**k' message

A STUDENT at one of Britain's top universities threatened to chop off her lecturer's PENIS after she was sent a cartoon called 'The Virgin Snail' in her reading list, a court heard.

Stephanie Christol, 30, believed Dr Christopher Dillon was trying to mock her with a cartoon because of her lack of sexual experience.

Christol met him in her final year at King's College London while she was writing her dissertation on films on the First World War, the court heard.

In a batch of reading material sent to the history student, a cartoon appeared at the bottom of an article called 'The Virgin Snail'.

Furious at the perceived slight, she emailed Dr Dillon, who worked at the university's Strand Campus, threatening to chop off his penis and stick it up his arse.

She also sent a series of emails and Facebook messages calling

By COLIN HURST

news@sundaysport.co.uk

Dr Dillon's partner 'a dog' and 'ugly as f**k'.

The court heard from Dr Dillon, who has written several books including 'Dachau and the SS: A Schooling in Violence' and had been helping Christol with her work.

"One message threatened me with violence. Between April to 25 September there were dozens of emails," he said.

Abusive

"One of them threatened to cut off my penis and shove it up my bottom.

"They were threatening. I was concerned they may spread over to my partner.

"Two of the messages said 'I am going to get you' and 'I am going to find a way to make you apologise'.

Ed Cohen, prosecuting at Hendon magistrates court, north London, said: "The emails were extremely abusive in their

nature, saying Doctor Dillon's partner was 'a dog' and 'ugly as f**k'.

"This caused some real issues between him and his partner." Christol told the court: "They sent me articles and one of them I reacted badly to. It was at the end of a stage of articles which had been sent.

"I was first angry because I thought he was laughing at me for being sexually inexperienced.

"I was paranoid about it and I was trying to deal with my paranoia."

Christol of Islington, inner London, denied a charge of harassment without violence but was found guilty.

She gasped when magistrates announced their verdict.

Christol was granted conditional bail ahead of sentencing at Westminster Magistrates' Court.

She was ordered to continue living at her current address and must not enter King's College London Strand Campus, nor must she contact directly or indirectly Dr Dillon.

GINGER NUTS!

AS the nation prepares to celebrate the wedding of Prince Harry and Meghan Markle the nation's tat manufacturers are going into overdrive.

With everything from tea towels to mugs, jigsaws to T-shirts getting the couple's faces slapped on them, the novelty souvenir industry is set to make more than £100m.

But they have to be quick to get their products on sale with the wedding taking place on May 19th.

Which may explain why this commemorative plate seems to have a rather obvious mistake on it.

The makers seem to have confused Royal redhead Harry with ginger singer Ed Sheeran and have placed the *Perfect* warbler on the porcelain instead of prince.

The plate is listed for £25 on shopping website Etsy, and former royal chef Darren McGrady spotted the gaffe, before sharing it on Twitter.

The listing for the plate reads: "Celebrate THE wedding of the year with this beautiful china plate featuring the portraits of Prince Harry and Meghan Markle...our country's most cherished couple."

CARE HOME WORKER'S 'SEX IN MARITAL BED WITH TEEN BOY'

By **ROB KENNEDY**
news@sundaysport.co.uk

A FEMALE care home support worker has been accused of having sex with a teenage lad.

Carole Davis, 59, allegedly bought the youngster gifts, indecently assaulted him at the home and during trips, invited him round to her place – where she created a "romantic ambience" and had sex with him in her marital bed.

At Newcastle Crown Court prosecutors claim that she referred to him as her "special boy" and began touching him at the care home where he was staying in the 1990s, when Davis was in her 30s and he was aged 13 to 15.

Erotic

The complainant said she also carried out a sex act on him in the back of a minibus after a trip to the seaside.

Social workers employed alongside Davis at the time allege they saw them "kissing

and cuddling", "gazing into each other's eyes" and "feeding each other fruit in an erotic way", the court heard.

Jo Kidd, prosecuting, said Davis would go to the boy's room and what began as "perfectly innocent" cuddles developed over time.

It is alleged she began pushing her breasts into his face and touching him over his pyjamas and then under

his pyjamas.

Miss Kidd said: "She took him back to her home address and she would cook dinner for him. She would bathe him.

"She would create a romantic ambience before taking him upstairs, where she would have full sexual intercourse with him, either in her sister's room or in her own marital bed."

One of the allegations

involves a time when Davis's husband is said to have dropped her and the boy off at the beach at South Shields. It is claimed she indecently assaulted him in the dunes.

On another occasion, during a trip to York, they went to a museum and while in a car she is said to have done the same.

On their way back from another trip, to Blackpool, while other children were asleep on a minibus, she is alleged to have done the same "under cover of darkness".

Then, after he had left the home, he is alleged to have gone to her home and had sex with her.

When interviewed by the police, Davis, of Sunderland denied any sexual relationship with him.

She denies 10 counts of indecent assault.

The trial continues.

1-in-3 workers in fear of robots

ONE in three workers believes their job will be automated in the next decade – but many are not being offered new skills to prepare them for changes to the world of work, according to a study.

Research by services firm ADP found that one in 10 workers says a robot will take their job by 2020.

Half of the 1,300 workers surveyed said their employer was not preparing to retrain them or offer them the chance to gain new skills.

Younger workers, aged under 35, were most likely to believe their job will be replaced by a machine.

Jobs in computing and telecoms were most likely to be affected, said the report.

BBC HAZEL'S 'COCK TREE' SHOCK!

By **NELSON SAUVIN**
news@sundaysport.co.uk

TELLY presenter Hazel Irvine turned the airwaves BLUE yesterday as she stood under a massive COCK TREE.

Hazel, 52, was introducing a segment of the Commonwealth Games coverage on the BBC when she showed viewers a rude plant.

Although she claimed it was called an 'umbrella tree', those watching at home weren't convinced and thought it looked more like a bunch of knobs.

Shelter

In the heart of Australia's Gold Coast, Hazel stood under the penis tree to shelter from the sun.

Viewers took to social media in shock at the X-rated tree, with one user posting: "Highlight of the morning Hazel Irvine standing under a tree that resembled penises."

Replying to the comment, another quipped: "Big ones too," followed by hysterical laughing emoji faces.

Legendary broadcaster Hazel has been on our small screens for more than 30 years and was chosen as one of the BBC faces to present the Gold Coast Commonwealth Games.

She is arguably most famous for her golf coverage, specifically the Masters tournament which she retired from last year.

Man traps dick in park bench

A MAN had to be freed from a park bench after getting his PENIS stuck between the wooden slats.

Fire engines and a police search and rescue unit were called to free the 70-year-old man, who it's believed was drunk at the time.

It's not clear exactly why he had stuck his Johnson through the bench but local reports say he was "definitely screwing it".

The firefighters quickly freed the man from the bench in the park in Hollywood, Los Angeles. Fire Department spokeswoman Amy Bastman said.

The man was taken to the nearby Presbyterian Medical Center after they'd got his dick unstuck, Bastman said.

It's thought he was treated for splinters.

BRITAIN'S Got Talent babe Amanda Holden revealed she played a banana cock prank on David Walliams – by sticking the phallic shaped fruit down the trousers of a Simon Cowell waxwork.

Blonde Amanda, 47, says she knew comic Walliams would make a beeline for the dummy's crotch when she saw it backstage at a *BGT* auditions show.

So she stuffed the banana down its kecks to give the camp telly star a shock.

She said: "Alesha (Dixon) and I walked into the judges' room and did a double take because they had Simon, Ant and Dec's waxworks in there. But they were disarming in the fact that they were at least 15 years old, so it was quite obvious."

"Simon's didn't have any body hair. I put a banana down his trousers

because I knew it would be the first place David looked, and he literally put his hand on Simon's crotch the minute he walked in.

"He got a real shock."

"Simon sat down next to it and kept going on about how handsome he was."

The beauty also revealed how Walliams has taunted Cowell after winning a Best Judge gong at the National Television Awards.

She said: "David is banging on about it constantly – as you would expect."

"He brought them to auditions and uses them as weights most days."

"I have to say I'm thrilled for David. He's brilliant and has changed the show, he has added more humour to it."

Burglar breaks in for nuggets

A HUNGRY burglar knocked down a door to gain entry to a house so he could steal just two CHICKEN NUGGETS.

The unknown suspect entered the residence by kicking in the back door, destroying the frame, according to a police report.

Footprints were found on the door, but the only other sign of a crime was that the two cooked chicken nuggets had been removed from the fridge.

The damage to the door is valued at £70, according to a report, but the chicken nuggets were valued at 70p.

The incident remains under investigation by cops in Columbia, South Carolina.

A police source said: "This is very bizarre. No matter how hungry you are it's not worth the risk of jail time."

'ORDEAL' STAR ALICE:

I ♥ SEX!

By BECCA STUBBS becca@sundaysport.co.uk

ACTRESS Alice Eve is wowing fans with her performance in the BBC's *Ordeal By Innocence* – as well as wowing her hubby in the bedroom.

Alice, 36, confessed she has a very high sex drive, making husband Alex Cowper-Smith a very lucky fella indeed.

The blonde beauty, who's currently playing Gwenda Vaughan in the Agatha Christie drama, revealed she has high standards between the sheets.

She said: "I can't get into an unmade bed; I can't sleep with shoes anywhere near me – they have to be in a cupboard – and I absolutely hate a messy car."

"I also have a fairly high sex drive."

Abuse

Despite having a string of failed romances before marrying Alex in 2014, Alice refers to him as her "childhood sweetheart".

Ordeal By Innocence is just one of seven Agatha Christie adaptations planned by the BBC over the next four years.

It was supposed to be shown around Christmas 2017 but it was postponed after lead actor Ed Westwick faced sex abuse allegations.

Alice's role is the latest in a long line of top appearances including a stint in *Sex and the City 2*.

However, the actress arguably best known for her role as biologist Carol Marcus in *Star Trek: Into Darkness* in 2012.

Posh plans tennis job for Romeo

POSH Spice Victoria Beckham is reportedly planning on making her son Romeo into a TENNIS STAR.

The fashion designer (above), 43, is allegedly hell-bent on making 15-year-old Romeo into a Wimbledon winner.

She's already had a hand in helping eldest son Brooklyn, 19, carve out a career in photography, while her youngest son with hubby David, Cruz, 13, has released a single.

Now her attentions have reportedly turned to Romeo becoming an ace in tennis.

A source said: "Victoria knows it will be impossible for her kids to have 'normal' careers, so she's carving out a niche for all of them."

"Romeo started out modelling when he was 10, but recently he's shown a real flair for tennis."

"Victoria's been looking at sponsorship deals and wants his Instagram page to be tennis focused so he can be an influencer and make a name for himself that way."

Justin 'to quit music for God'

POP star Justin Bieber is planning on dropping his music career in favour of dedicating his life to GOD.

The hitmaker (above), 24, has been a member of LA's celebrity-packed church Hillsong since going off the rails and has preached to his Instagram followers about Jesus.

A Hollywood insider said: "After going through so much – the pressures of fame, family drama and losing the love of his life – he's been saved."

"Religion is keeping Justin on the straight and narrow. There's a part of him tempted to give up music and dedicate his life to Jesus."

F1 CHAMP CELEBRATES GRID GIRLS RETURN... & HE'S NO STRANGER TO HOT WOMEN!

VRROOM: Grand Prix fan Missey Love is so excited the new race season has started. "I'd love to see Lewis's pole position!" said the 32E Glasgow babe.

**GIGI HADID**

AFTER he appeared in a recent Tommy Hilfiger advert campaign with 22-year-old Gigi the pair allegedly swapped flirty messages after their shoot.

By **BECCA STUBBS** becca@sundaysport.co.uk

FORMULA One champion Lewis Hamilton welcomed the return of GRID GIRLS on his social media – and he is no stranger to a gorgeous woman.

The 33-year-old racing driver applauded the Monaco and Russian Grand Prix after they revealed they'll defy F1's decision not to use grid girls by bringing them back to the track later this year.

Posting a photo of the news on his Instagram account, Lewis captioned the shot of five busty women "Thank you Jesus" before quickly deleting his post.

Linked

It's not surprising he backs the idea, considering the bevy of babes he's previously been linked with.

From popstars Rita Ora and Rihanna to supermodels Kendall Jenner and Gigi Hadid, it seems Lewis has had them all.

RIHANNA

FROM Barbados to New York, 30-year-old hit maker Rihanna was spotted getting up close and personal with Lewis across the world. Although they never confirmed their romance, the two A-listers certainly got each other heated up in 2016.

DANIELLE LLOYD

FORMER glamour girl Danielle, 34, is now settled down with an electrician, but she used to live life in the fast lane with F1 driver Lewis. They dated for six months in 2002 after meeting at a nightclub which Danielle described as 'love at first sight'.

PETRA NEMCOVA

BACK in 2016, Lewis and Czech model Petra, 38, were spotted leaving a Berlin hotel after spending the previous evening side-by-side at an awards ceremony. They were spotted the morning after on a 'date' around the German capital.

SOFIA RICHIE

DESPITE being just 19-years-old, it seems Sofia loves an older bloke. Before she started dating 34-year-old Scott Disick, Sofia and Lewis sparked romance rumours after a series of Instagram flirts and lunch dates in California.

BARBARA PALVIN

VICTORIA'S Secret model Barbara, 24, was rumoured to be dating Lewis in the summer of 2016. But it seems he played matchmaker after they didn't work out as she was later spotted canoodling with Lewis' best friend and Brazilian football ace Neymar, 26.

NICOLE SCHERZINGER

RACING driver Lewis was in a relationship with singer Nicole for eight years but called time on their on-off romance because she was reportedly tired of coming second to his career. Despite being heartbroken over their split, the 39-year-old *X Factor* judge swiftly moved on with another toy boy in the form of 25-year-old Grigor Dimitrov.

RITA ORA

FOLLOWING his 2016 British Grand Prix win, Lewis reportedly celebrated by spending time with stunning popstar Rita, 27. They were spotted leaving other venues a couple of times that year, sparking rumours of a saucy romance.

Boozy blonde wees all over cop car seats

A PRETTY blonde high on drugs pissed in the back of a police car and then SPREAD the urine around the seat.

Mccall Leduc, 20 (above), was nicked after cops received a call about a woman driving erratically near a high school.

When they arrived at the scene in Oviedo, Florida, they found Leduc sat down on a pavement near her car, which had its engine running and door open.

Officers said she was clearly inebriated and when they searched the motor found a bottle of vodka and cannabis in the back seat.

While she was in the back seat of the cop car Leduc slipped her handcuffs and when police opened the back door they noticed she had urinated in the back seat and spread it all over the vehicle.

Leduc is charged with possession of alcohol under 21, drug possession, resisting without violence and health safety nuisance for peeing in the back of the patrol car.

Four fingers in the pink!

A KITKAT made with pink chocolate is set to launch in the UK next week.

Brit consumers will be the first in Europe to buy Nestle's four-finger treat, made with ruby chocolate from specially selected cocoa beans.

Ruby chocolate was created by Swiss firm Barry Callebaut, which spent more than a decade unlocking the bean's colours and flavours.

The flavour has been described by the company as "a tension between berry-fruitiness and luscious smoothness".

The new KitKat, priced 85p, will be available only at Tesco from April 16.

TV STAR NICOLE NICKED OVER ORAL SEX ROMP IN CAR PARK

PRETTY BAD:
Reality star in pose for show

REALITY TV star Nicole 'Nicky' Vargas has been arrested for giving her boyfriend a BLOWJOB in a car park.

The 27-year-old *Bad Girls Club* star was topless when she was nicked for giving her fella, Colton Voegel, 23, a bit of oral in an apartment block.

She has been charged with unnatural and lascivious acts in public, among others, after she engaged in sexual acts with her boyfriend in plain view.

Based on a police report, Vargas was giving her fella a good suck when a witness

By **BECCA STUBBS**

becca@sundaysport.co.uk

approached the couple, asking them to stop what they were doing and to "move along."

Upset at being interrupted, Vargas then teamed up with her man and started beating the concerned resident.

Ripped

They then allegedly ripped the witness's shirt and punched the onlooker in the back of his head and in the chest.

According to police who responded to the commotion in

Cape Canaveral, Florida, around 7.30pm, a topless Vargas tried to flee when they arrived.

She was later captured and brought to the police station, still with her boobs bare. The arrest was filmed by another witness.

She was released after posting bail of \$1,400 while Voegel remained jailed at the Brevard County Jail Complex

on a \$1,000 bond. Vargas shot to fame when she starred in Season 10 of *Bad Girls Club* which saw rebellious women live in one house together to help improve their behaviour – which clearly didn't work for Vargas.

Hailing from Fort Lee, New Jersey, Vargas voluntarily left the show in Episode 4 after fighting with her co-star, Valentina Anyanwu.

EYE CANDY MAN!

Inside the sex mansion of 'new Hefner'

By BECCA STUBBS becca@sundaysport.co.uk

LADIES' man Travers 'Candyman' Beynon has lifted the lid on what REALLY goes on at his infamous SEX PARTIES.

The 46-year-old tobacco tycoon has been called 'the new Hugh Hefner' after posting saucy Instagram photos showing him surrounded by a harem of STUNNING women.

And Beynon confessed that when the sun goes down things in his extravagant Gold Coast mansion get VERY hot and heated.

Beynon shares his Australian waterfront mansion with his wife and many girlfriends and boasts of daily three-in-a-bed romps.

He said: "It is a normal home during the day. If you come into the house during the day it is a normal family home."

"But late at night, in the bedroom and so forth, the lingerie comes out."

For his parties, he hires models and revealed that a lot of couples come to the Candyman Mansion for his parties.

Photos of his private events are regularly posted on his Instagram page and he insists all his female partners have "the best time".

Kinky

His Instagram photos got so kinky that the social media site BANNED him for sharing "inappropriate content" before it was lifted earlier this year.

Undeterred by his brief ban, Beynon has been relentless in sharing photos of his envious lifestyle and the gorgeous – and often near-naked – women he parties with.

Speaking to an Australian radio station, Beynon said a pack of babes "roam around" his house most nights.

In the interview Beynon explained that bed time can get complicated, adding: "In bed, there's four girls as an average."

"I often don't get much sleep. What I'm like in business, life or sport, I'm like that in bed. They love my imagination and my creativity. You need that when you've got multiple girls."

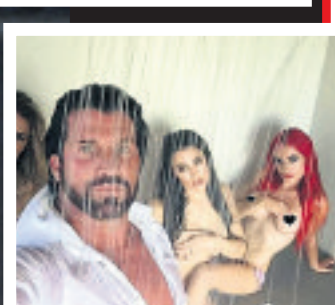

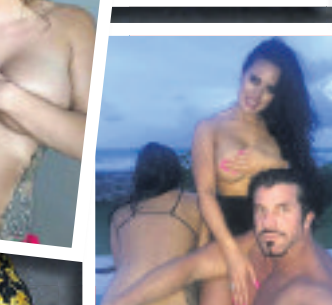

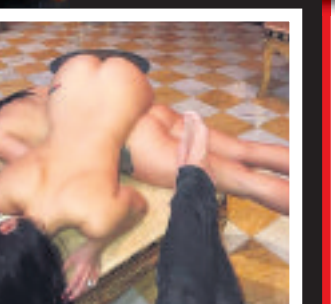

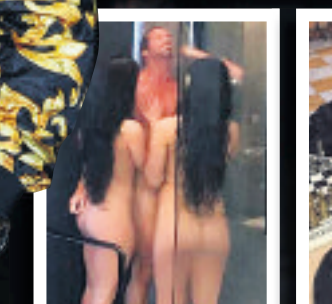

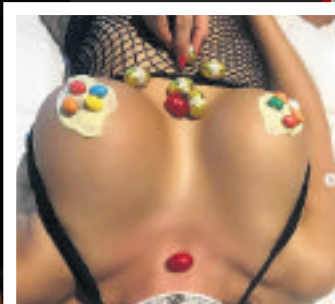

Photos from the parties often show a bevy of naked beauties writhing around on a bed in front of Beynon.

He has previously posted snaps from his pool parties featuring groups of naked women and gorgeous girls pole dancing in front of him.

Beynon has also shared photos of himself taking a shower with two busty brunettes and captioned it: "The wetter the better."

Despite critics branding him a pimp, Beynon insisted no money swaps hands and some of the girlfriends have recently branded themselves with a "FreeChoice" tattoo to show their loyalty.

COMEDIAN Dawn French says she checks her PUBES for signs of ageing.

The actress, 60, admitted she tried to spot signs of ageing by checking herself both on top and "down below" for grey hairs.

When asked about ageing, Dawn had a cheeky response and confessed to grabbing a mirror to check her fanny for signs of getting older.

She said: "I've had my hair 'young-ened'. If I didn't, I'd be completely grey, as my mum was in her 20s."

"I'm looking forward to doing the whole Meryl Streep in *The Devil Wears Prada*, but not just yet, I haven't seen enough grey hairs.

"I mean, obviously, I've had a look with a mirror down there. It's what we laughingly call salt and pepper."

The Vicar of Dibley star also hinted that she and long-term comedy partner Jennifer Saunders, 59, might be reuniting for a special show, adding: "All I can say is that we are talking."

Builder's fart compo blown out

A BUILDER who claimed his boss **FARTING** at him was workplace bullying has lost a **£1.1million** compo claim – because a judge ruled breaking wind on an employee did not constitute harassment.

Justice Rita Zammit dismissed claims made by David Hingst, a contract administrator from Melbourne, who accused his supervisor, Greg Short, of bullying.

Mr Hingst alleged Mr Short, from Construction Engineering Australia, would "lift his bum and fart" on or at him, which he found "humiliating and disgusting".

A former colleague recalled Mr Short's frequent flatulence but said cultural differences were to blame for the offence taken by Mr Hingst, who was of German descent.

What commentator told female ref...

YOU SHOULD BE HOME DOING THE IRONING, LUV!

A man in a black Chorley Football Club shirt is celebrating with his arms raised in front of a stadium. The stadium's name, 'CHORLEY FOOTBALL CLUB', is visible on the stands. The man is smiling and looking towards the camera.

A FOOTIE commentator at a radio station made famous by comic Peter Kay has been BANNED from his local club after making sexist remarks about a top female referee.

Ian Livesey, 36, is in the middle of a sexism row after reportedly shouting: "You should be at home doing the ironing, love," at Rebecca Welch during a game between Chorley FC and Boston United.

The disparaging off-air comment was overheard by a female fan who then reported Mr Livesey to club officials at Chorley.

Fans criticised the ref for her decision to send off one of their players in the dying minutes of the game, but when Mr Livesey shouted out, many thought he had crossed a line.

The life-long fan has since been banned from attending games by Chorley – nicknamed the Magpies – while they investigate.

Mr Livesey has also cancelled his regular football commentary *MaggiesLive* which was broadcast on the 102.8 Chorley FM radio station on match days.

CURVY beauty Ashley Graham posed up a storm in a TINY swimsuit for her latest photo shoot for *Sports Illustrated*.

The 29-year-old supermodel flaunted her sensational figure while a lucky assistant poured water all over her impressive boobs. She wore the white T-shirt and a skimpy yellow string one-piece.

But it was her nipples which took centre stage as they poked through the soaking wet top.

Woman chopped off man's head with penknife!

By COLIN HURST news@sundaysport.co.uk

A WOMAN who beheaded a man with a PENKNIFE told cops arresting her: "You have to take me back and let me get my heads."

Roena Cheryl Mills, 41, has been charged with murder after police found 29-year-old Bo Allen White without his head in his home.

She had already been arrested for making a scene outside her house as cops had been called after she was spotted covered in blood and screaming and shouting.

When they arrived they found she was wearing a glove on her left hand, and had a penknife in her trouser pocket.

Mills, who appeared to be drunk, reportedly gave officials a false name and said the blood came from being thrown through a glass door. She would not identify her alleged attacker.

Drugs

Officers said Mills became combative and refused to leave with them. After being held, Mills kicked the police car's dividing window and told officers, "You have to take me back and let me get my heads."

Mills was found in possession of drugs and was initially charged with assaulting a cop and simple possession.

Later the same day investigators received a call later that day saying a man's headless body had been found inside his home.

Police found the missing body part near

SCREAMING: Mills

Mills's home 300 yards away.

Det L L Addair in Rural Retreat, Virginia, said: "The investigation also revealed that the matching glove for the one that the accused was wearing when initially arrested was located in the victim's bedroom."

Prosecutor George Sitler said it was not clear whether White was killed by beheading or if he died before his head was severed.

Mills was checked by a shrink who has deemed her fit to face a jury in June.

Drunk's 'pizza attack'

A BOOZED-UP nut attacked his girlfriend with a pizza after an argument over his drinking.

The 23-year-old woman suffered minor injuries in the attack while she was driving and later called police.

Officers turned up at their home in Masuary, Ohio, to find 24-year-old Kenneth Evans clearly pissed and belligerent, having had a run-in with his neighbours as well. Cops said his mood swung continually from hysterical laughter to crying.

Police took photos of what remained of the pizza, while collecting evidence at the scene.

Evans was taken to the local lock-up where he was told to "stop boxing the wall" multiple times.

He denies assault and is awaiting trial.

CHEEKY blonde babe Rachel Cole prides herself on her **FLEXIBLE** body and her ability to bend herself into all sorts of kinky sex positions.

The Basingstoke beauty, 27, is a former gymnastics and trampolining champion but now puts her skills to use between the sheets.

Rachel, who boasts a pert pair of 32C's said: "I trained in gymnastics and trampolining. Now I do a lot of yoga, which keeps me flexible."

"It definitely helps when it comes to sex - I

#HOT'N'HORNY

can get my body into all kinds of positions."

This summer, Rachel plans on joining the exclusive Mile High Club and, although she could get into position in the tiny loo, she wants it to be far more open.

She added: "I would really love to get down and dirty while up in the air, and join the Mile High Club. I wouldn't want to do it in the toilets though - that would be far too cramped."

"In my fantasy I'd ride my man really hard in the aisle and I wouldn't care who was watching!"

Half-naked driver held

By COLIN HURST
news@sundaysport.co.uk

THIS drink-driver looks like he needs some legal briefs - after wrecking his car in a bizarre crash while naked from the waist down.

Astonished firefighters found the unidentified driver in the wreckage of his overturned Mazda wearing just a sweater.

Rescuers were called to the crash in Moscow's Altufievo region when the black car rolled onto its left side with the driver still inside.

But as they began to examine the wreckage the baffled firefighters discovered the driver was not wearing any pants or trousers.

Video footage of the unconventional rescue shows the firefighters managing to keep a

straight face as they haul the apparently uninjured but almost certainly bladdered man out of the front passenger door.

As the firefighters

help the driver to stand, he apparently tries to shrug them off as he attempts to stand.

He was carted off to hospital where police quizzed him.

Jen & Brad are healing together

ACTRESS Jennifer Aniston and her ex-husband Brad Pitt are reportedly bonding again for their mutual love of MEDITATION.

The former couple, who split in 2016, are allegedly growing close after Brad, 54, split from Angelina Jolie, 42, who he left 49-year-old Jennifer for in 2005.

Despite their messy break-up, they are both huge fans of transcendental meditation and have been building a relationship over their spiritual interests.

A source claimed: "Since Brad gave up smoking weed and drinking alcohol – his old way of chilling out – he's needed a new outlet to de-stress.

"He says the meditation is helping enormously with his sobriety, which is letting him focus on his goals as an artist and an actor.

"In fact, it was Jennifer who suggested he try it, and now she says they could even meditate and work on healing together."

Jennifer has long been a fan of the meditation practice, which involves repeating a mantra to yourself for 20 minutes in order to achieve peace of mind.

ZLATAN...THE MOVIE!

FOOTBALLER Zlatan Ibrahimovic could use his move to LA Galaxy to break into Hollywood.

The 35-year-old Swedish star confessed that he's "curious" about acting and revealed he's interested in playing a secret agent.

He made the move to Los Angeles earlier this year but it seems there was more than football behind his stateside switch.

Making reference to former Manchester United legend Eric Cantona, who took up acting after ending his footballing career, Zlatan reckons he'd make a decent actor.

He said: "Eric is Eric, Zlatan is Zlatan, so I come with a different package, I come with what I'm able to do.

Bond

"People will remember him for the rest of their lives for what he did here, people will remember me for what I did.

"The only thing he did that I haven't done – yet – is acting. I'm a little bit curious also to be an actor."

His first appearance in an LA Galaxy shirt will no doubt go down in history thanks to his wonder strike from 35-yards out.

LA Galaxy were losing the match 3-0 but with two goals from star signing Ibrahimovic, they managed to win the game 4-3.

Lauren: I still want a bad boy

REALITY telly beauty Lauren Goodger wants to find a new man after splitting from jailed ex Joey Morrison.

The 31-year-old former *TOWIE* star (above) found love with convicted criminal Joey while he was still behind bars and the pair split after she grew tired waiting for his release.

Lauren said she still wants a "bad boy" but not one that's in prison, adding: "I want to find a man naturally."

"I won't find one on a TV show or a dating app, because I would be too worried that it's all too false."

"The kind of man I go for is someone like Tom Hardy – an alpha male and bad boy."

"I want to be with someone with a bit of edge, who makes me feel protected and safe but, most importantly, loved. I don't care what job they do, so long as they have drive and ambition."

SURPRISE!
Kriener's egg trick landed her in prison

A FORMER sex worker has been jailed for two-and-a-half years for supplying drugs, including crack cocaine she hid inside herself in a Kinder egg.

A Kinder egg filled with crack cocaine was secreted about Selina Kriener's body when police conducted an intimate search at a hospital in Grimsby, a court heard.

She had been arrested in a car in which her four-year-old son was a passenger.

At Grimsby Crown Court, Kriener admitted possession with intent to supply cocaine and possession of heroin and cannabis.

Judge Mark Bury said she had a significant role in the supply of the Class A drug to drug users in Scunthorpe.

He said there was £535 worth of crack cocaine of high purity in the Kinder egg.

Intimate

"You had the Kinder egg secreted about your body," the judge said.

He added: "You say you were not doing it (supplying drugs) when you son was present."

"It is difficult to embrace that because there were drugs and money in the car."

"You were putting your son in harm's way by dealing in drugs."

Prosecuting, Phillip Evans said Kriener,

of Scunthorpe, was stopped by police in the Lincolnshire town.

She was arrested and taken to a hospital in Grimsby for an intimate search examination.

A quantity of cash was found in her bra.

Police officers also spotted a Kinder egg under the chair where she had been sitting.

Mr Evans said she denied any connection to the egg.

But forensics matched it to Kriener.

In the egg were three rocks of crack cocaine of 90 per cent purity, heroin and cannabis.

At her home, police officers found drug equipment associated with drug supply and seized mobile phones.

Halle 'at centre of love split'

HOLLYWOOD hottie Halle Berry has found herself at the centre of Channing Tatum and Jenna Dewan's recent marriage split.

Halle, 51, starred in *Kingsman: The Golden Circle* with 37-year-old movie hunk Channing.

But his wife Jenna, 37, allegedly grew frustrated with the amount of time the two co-stars were spending together.

Although their recent statement announcing their split was gushing about their nine-year marriage, it failed to address the rumoured tensions they had.

A source said: "While there's no suggestion Channing did anything wrong, Jenna felt he was spending too much time with Halle when he could have been at home with her."

"Jenna felt they had begun to drift apart, and it didn't help that Channing was always away filming a big movie project, while her schedule was considerably less busy."

Channing and Jenna met on the set of *Step Up* in 2006.

TEACHER'S SEX IN SCHOOL CAR PARK WITH BOY, 16

A TEACHER has allegedly admitted having sex with a student in the school car park.

Mum-of-two Madalyn Arnett, 25, was arrested after school officials reported rumours of a relationship between a teacher and a 16-year-old student.

Police were called after Arnett was reported for sexting the teen in the town of Franklin, Ohio.

Resigned

The Franklin High School teacher is now facing a charge of battery. Arnett was arrested last week at her home in West Carrollton. She has now resigned from the school.

The Warren County

prosecutor David Fornshell said the social studies teacher is accused of having sex with the student in the school car park.

She was placed on leave on March 27 when school authorities became aware of the relationship and escorted off the school's property.

Fornshell said students had been talking about the relationship at school, and

that Arnett had exchanged inappropriate messages with the boy.

Arnett had only been a qualified full-time teacher since May last year, according to state records.

The age of consent in Ohio is 16, but it is still illegal if someone has authority over the other partner – such as a teacher over a student.

"But this charge means there was a sexual encounter," Fornshell said, adding that contact took place in a car in a parking lot.

'Multiple' romps with student, 13

A BLONDE teacher accused of having sex with her 13-year-old student has pleaded guilty in court.

Brittany Zamora, 27, was arrested last month after the boy's parents discovered her lewd messages on their son's phone.

She was arrested and charged with two counts of molestation of a child, nine counts of sexual conduct with a minor, one count of furnishing harmful material and one count of public sexual indecency.

Maricopa County Superior Court, Arizona, was told that Zamora had sex with the boy multiple times and performed oral sex on him in the classroom at Las Brisas Academy Elementary School in Goodyear as well as in her car. She also sent naked pictures of herself to the boy, it is claimed.

During one text exchange between her and the boy, which followed one of the pair's alleged sex romps, the boy wrote that he wanted to have sex with her again.

"I know baby! I want you every day with no time limit," Zamora is alleged to have responded to him.

She also allegedly wrote to him: "If I could quit my job and (have sex with) you all day long, I would," according to court records.

A second student later came forward to police saying he had witnessed Zamora having sex with the 13-year-old.

He also admitted receiving naked photos from Zamora.

READING her fella the riot act is kinky Porchia Watson's new bedroom trick – and she makes quite the arresting sight.

Porchia, 28, from Basildon, Essex, has completely changed her mind about kinky role play shagging and now can't get enough of dressing up for her man.

The 32DD stunna said it's made her more open to experimenting between the sheets.

She explained: "Sex is supposed to be fun, it's great to get into characters for a bit of adult action."

Favourite

"I was never really into role play until a couple of years ago. I always thought I'd feel a bit awkward and embarrassed pretending to be someone I'm not."

"But I gave it a whirl and I couldn't believe the difference it made."

"My favourite outfit now is my policewoman's uniform. I'll 'arrest' my man, handcuff him to the bed and read him his rights – like, 'You have the right to bend me over the duvet!'"

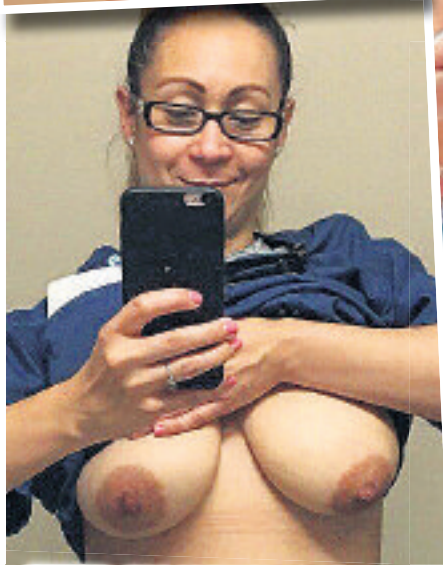

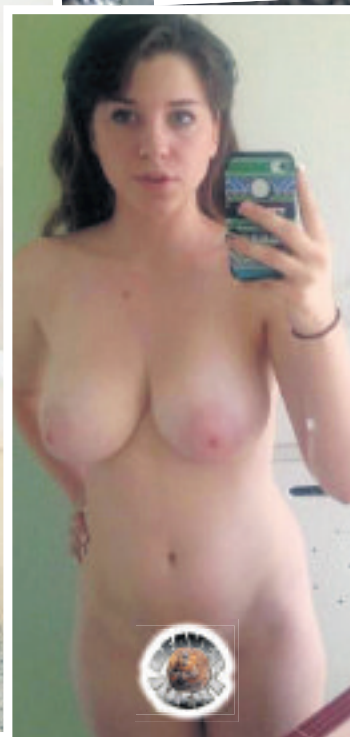

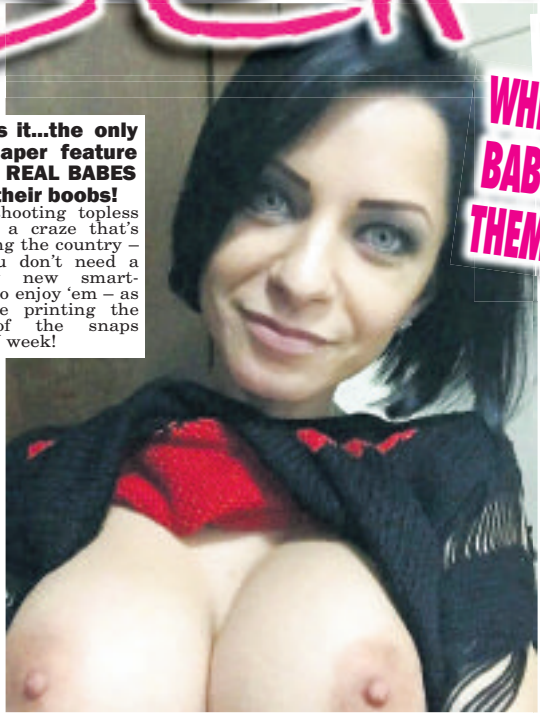

"Being a bit silly in bed is a good thing, as both of you end up being more open to experimenting – and that is NEVER a bad thing!"

Ten ways to turn up the heat in your sex lives...

Victoria Dunn

says...

SHAGGY
outdoors
amazing
if you c

SHAGGING outdoors is amazing and if you can't do it in Spring, just when can you? I remember bending over a wooden fence in the countryside while my fella took me from behind. I'm almost certain a nearby group of walkers spotted us!

Carrie Rothwell says...

THESE might seem like simple sex tips but they're easy ways to guarantee a bonus in the bedroom. I have tried quite a few new sex positions and I must admit it's really got me going again.

AFTER a long and cold winter, you might feel stuck in a rut when it comes to fun in the bedroom.

As most people will be getting out their marigolds and feather dusters for the big spring clean, why not freshen up your sex life too?

To spice up your spring, here's the top ten tips to inject a much-needed boost of heat between the sheets.

1 Abstain from sex for a few days but stoke your desires by sexting and telling each other what you're going to do once you finally give in to temptation.

By **BECCA STUBBS**
becca@sundaysport.co.uk

Let the anticipation mount until you just can't wait any more.

2 Talking about work, money worries and politics isn't exactly the language of love so every other night make a pledge to avoid talking about boring, mundane stuff – it might give you a mood booster when it comes to bedtime.

3 Giving each other a massage can be very pleasurable and erotic. Oil up your hands and give your loved one an all-over body massage – it can be as naughty as you want.

4 The brain is the most important sex organ. When we're turned on and aroused by what we hear, taste, smell and see, our genitals and the rest of our bodies will follow suit – and so will some mind-blowing sex.

5 Role play can be great fun in the bedroom, but the world has seen enough French Maid costumes. So try something different – a dominatrix outfit or pretend to be strangers who've just met. It's guaranteed to make the sex even hotter.

6 Forget turning off the lights when you get down and dirty – throw open the curtains and let the sunshine in. Confidence is attractive and shagging in broad daylight shines light on everyone's good bits.

7 Explore and experiment with so-called taboos. Anal sex and BDSM bonding might not be what you find comfortable but it could be worth pushing your boundaries for some added spice in your life.

8 Don't bother keeping score. Whether you shag every day or once a week, it doesn't matter as long as when you do bonk it's satisfying, pleasurable and ends with a big O!

9 With the weather hotting up, why not take your shagging outside. Whether that's getting frisky on a romantic walk or just getting jiggy in the back garden, it's bound to be more exciting than the bedroom.

10 It seems obvious but trying new positions and moves can reinvent your sex life. Consider investing in some sex toys. Couples' sex toys can be double the fun.

We asked three *Sport* stunnas what they thought of our top ten tips...

Chantelle Ford says...

My sex life was a little boring so I decided to give my fella a kinky massage. I spent extra time on his cock and balls and he was begging me to shag him. Since then, we've been at it like rabbits and it's really put a spring in both of our steps!

#SEX HEALTH

By BECCA STUBBS
becca@sundaysport.co.uk

MANY people assume a woman's sex life peaks in her twenties but, according to a new study, it's women in their late thirties who are having the best bonks.

The study, by Natural Cycles, quizzed more than 2,600 women about their sex lives – and the results showed that things between the sheets get better with age.

All the women were divided into three groups comprising a younger age group (below 23), middle (23-36) and older (36 and over).

Results showed that not only did orgasms improve with age but shagging was even better as people reported they were having more enjoyable sex.

Although the younger age group reported feeling sexy and attractive, they scored the lowest when asked about how often they orgasm.

Confidence

A whopping 58 per cent of women in the older age group said they had the most enjoyable orgasms and the greatest number of orgasms.

That meant the older women scored 10% higher than the younger age group and 5% higher than the middle age group.

The 36 and over women also said they were having the best sex of their lives, with 86% of them enjoying consistent sex.

It seemed the key to the best sex was confidence, as the older age group also reported feeling the most confident in their own skin.

This is not the first time research has suggested that women in their thirties are having glorious sex lives, as a previous study put the golden age of enjoyment at 33.

Excited

Over a third of women surveyed in this study said they had become more confident with age and attributed that factor to the better enjoyment of sex compared to their twenties.

Sport beauty Gia Lashey said: "If sex gets better with age, then bring it on!"

"I thought I was having good sex now, but I'm excited for what's to come."

"In my experience, younger women are too held up on how they look and how their bodies look during sex, when really we should just be enjoying shagging!"

"As you get older, women care less about what they look like and can focus on the raw pleasure that comes with sex – hence why they're enjoying it more."

"Although maybe it's because men are better at sex as they get older."

"I might go find an older man to bonk and test that theory."

#MY SEX FANTASY

**'A filthy
twerk
drives
fellas
wild!'**

By BECCA STUBBS

becca@sundaysport.co.uk

TWERKING has been a thing since Miley Cyrus began shaking her bum on our screens – and delicious Delia Rose uses it as a sex move!

The 27-year-old hottie – who boasts 32E boobs – revealed jiggling her juicy buttocks while bonking goes down a storm.

When asked her favourite position, the Cambridge lass said: "That's hard to choose, but I would have to say doggy-style."

"I really like to show off my bum – and I can twerk at the same time! It drives fellas wild when I do that."

"And it's proper filthy, isn't it? It feels really naughty – and I am VERY naughty!"

"But I like to save doggy-style until last, as I'm usually looking pretty rough by that stage. Ha-ha!"

Exciting

"I also enjoy reverse cowgirl, because you get to show off and you can control your own pleasure as well."

Gorgeous glamour girl Delia still has tons of sex fantasies she can't wait to try out.

She loved the movie *Fifty Shades of Grey* and is keen to unleash her own submissive streak between the sheets.

Delia added: "I have so many fantasies! I'm a very sexual person."

"*Fifty Shades of Grey* was such a turn-on. I think being submissive would be really exciting."

"I'd love to find my very own Mr Grey who could give me a good SPANKING!"

"I'm used to being in control in my career, so I'm tempted to switch roles in the bedroom."

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

A BARMAID at my local has been supplementing her wages by allowing the regulars to grope her 36DD breasts. She charges £10 and some nights she can earn £100. But she has now informed us that from next month the price will double to £20. We reckon this increase is outrageous and far exceeds the rate of inflation. Do you think she is exploiting her loyal customers?

MY, Cambs

Ashleigh says...

NO. She's handling her affairs very well. Unless you know of any other barmaids in the area offering a feel for a tanner! Good luck with that!

Dear Ashleigh,

I AM addicted to watching women's athletics – all those flashing, toned thighs and tight, sexy white shorts and crop tops.

I can't wait for summer when the season starts. I go down my local track and you can see the girls' fannies sluicing about as they run, jump and throw.

I travel the country to watch as many athletic meets as possible. Once I nearly got caught wanking opposite the landing area of the women's high jump.

Is what I'm doing OK?

JY, Cornwall

Ashleigh says...

KEEP your dick in your trousers – unless you're watching it alone in the comfort of your own home on the telly. Otherwise you will end up being arrested and you won't get that kind of sport in jail!

Youth clubbin' ages me

Dear Ashleigh,

I WAS 40 last week and I am beginning to feel very old, especially as I fear my 27-year-old wife is going cool on me. We are both on our second marriages and I must admit that after we met, she turned me on to clubbing.

I enjoyed it at first but now whenever we go out, instead of dancing with me she makes a beeline for the first good-looking young lad she sees.

She says it makes her feel good to dance with younger folk, but it isn't doing much for my self-esteem.

What can I do?

LK, south Tyneside

Ashleigh says...

INSTEAD of going out all the time, stay at home and give her a good seeing-to.

Dear Ashleigh,

WHENEVER I see your boobs I jizz on the spot. Is this normal?

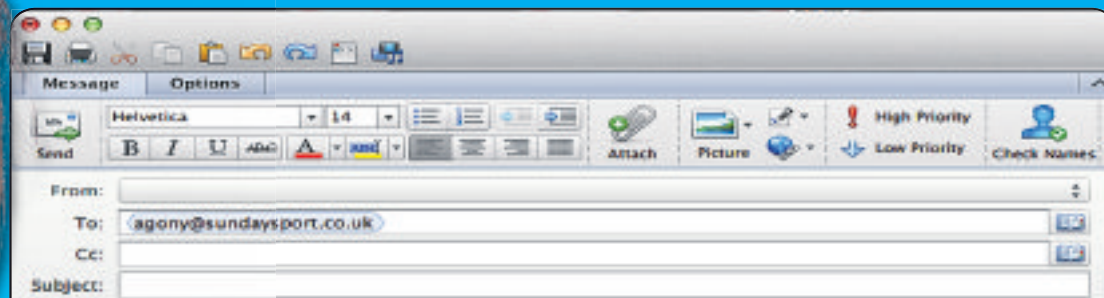

BT, Preston

Ashleigh says...

I DON'T know. But I'll take it as a compliment.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Homemade sex vid with her friend may ruin me

Dear Ashleigh,

MY bird's best female pal is gorgeous – she is blonde, with a cracking body and lovely 34Ds.

I've wanted to knob her for ages and last month I did, at a house party.

It was fantastic to unleash months of lust as I shagged her in the bathroom.

Just as I was about to come I withdrew and invited her to suck on my love-sausage.

I then released my man-milk down her throat.

I saw her again a few days later and she asked if I would film us having sex on my mobile.

Well, I was up for it and she told me to tie her to the bed, spank her and then f**k her up the arse.

She was moaning and telling me to really nail her.

And afterwards, we had sex in a variety of different positions.

Juice

The next time we met she wore a French maid's uniform and I knobbed her on the kitchen table.

She was so turned on her pussy juice was dripping from her love-tunnel.

We made a video of the session as well.

They make great viewing and I have enjoyed loads of wanks watching them.

The problem is that last week I had a party and a lad from my football team was messing with my phone and I think

he might have forwarded the vids around to a whole group of people on social media sites.

I'm now terrified that everyone in my local boozer will have watched me doing the business.

What should I do?

JF, Liverpool

Ashleigh says...

YOU'LL have to confess to your girl before she sees it.

Dear Ashleigh,

I AM a single guy and I must confess I am the envy of my mates because I am bonking THREE gorgeous sisters!

I met this rampant threesome, who are aged between 18 and 23, when

I went to their parents' house to do some decorating.

The 18-year-old is the horniest and I was shagging her within 30 minutes of entering the house.

Next day when I returned the other two sisters were there as well and it wasn't long before they were parading starkers in the front room.

First they sucked and wanked me off, then I shagged all three – one after the other.

Since that glorious time three months ago I have been seeing them all on a regular basis.

But they are tiring me out and I am considering ditching them all.

SD, Lancs

Ashleigh says...

YOU are one jammy bastard – stop bloody moaning, you tosser!

Dear Ashleigh,

I'VE been having an affair with my wife's mum.

I'm 27 and my wife is 22.

It all began at my

mum-in-law's 40th birthday.

She was wearing a short,

revealing frock with her

big tits almost spilling out

of its low-cut front.

And the more she drank

the more she came on to

me – grabbing my arse and

feeling my cock through

my jeans.

We ended up back at

my place and my wife, who

is a bit of a lightweight,

crashed out in bed.

Her mum came onto me

fully and kissed me on the

mouth – her warm, wet

tongue probing into my

mouth as she grabbed my

hands and encouraged me

to squeeze her tits.

Then she played with

my dick again and within

seconds I had her flimsy

party dress off.

I bent her over the arm

of the settee and slipped

my throbbing cock into

her experienced fanny.

I felt guilty, but she told

me not to worry.

And I've been round to

shag her several times

since.

My wife is off sex and

has been so for a few years,

so I reckon this is OK.

What do you think?

PF, South Yorks

Ashleigh says...

YOU'RE playing a very

dangerous game and should

end this affair now.

Pal's mucky mum can't get enough!

Dear Ashleigh,

MY mate's mum is a bit of a slapper – she's 38 and blonde with a cracking body.

She works behind the bar at my local and for my 18th birthday she bought me a few pints, then shagged me in the back of her car.

It was brilliant as she got her tits out and started to suck my throbbing cock.

I then peeled off her wet knickers and eased my love-truncheon into her moist fanny.

She was begging me to f**k her as I gave her a good seeing-to doggy-style.

I grabbed her 36Ds and soon shot my load.

I've seen her loads of times since and the sex gets better and better.

She loves being tied up, spanked and shagged hard and fast.

And last week me and the landlord at her pub had a threesome with her.

It was fantastic having her suck me off as he pounded into her from behind.

The only problem is that I feel really guilty when I see her son.

Do you think I should stop shagging his mum?

DF, Surrey

Ashleigh says...

YES, I do. You might be getting your end away, but you say he is a mate. Just imagine how you would feel if he was shagging your mum.

You should have plenty of memories in the wank bank until someone else – preferably closer to your own age – comes along.

CIKITA PECHOVA

ENGINEER Malcolm Sutcliffe wrote in asking for a topless snap of his favourite glamour girl, Cikita Pechova.

Malcolm, 43, might be from the land of steel, Sheffield, but he fancies Czech Republic's very own 30-year-old beauty Cikita.

He said: "Sheffield is known for being the steel city and I've got a rod of steel every time I stare at Cikita's 34E knockers."

"She's a real beauty and it would make my year if I could have a photo of her to keep in my wallet."

Here you go Malcolm, enjoy this sexy snap!

AMY LU

FOOTBALL-loving Dean Barnes still harbours hopes of wooing blonde bombshell Amy Lu.

The 24-year-old plays midfield for a non-league team and, although he's a big hit with the local ladies, it's 25-year-old Amy, from Reading, he really wants to impress.

Dean, from Stockport, said: "Amy is absolutely stunning. I get girls coming up to me all the time and I do shag them every now and again."

"But to be honest with you, Amy is my dream woman."

"If I make it as a footballer, maybe I'd get my hands on her 32E boobs before long."

ANNA KALEK

SHOP owner Ali Khadid emailed us asking for a photo of his favourite topless model, Anna Kalek.

Ali, 49, from Accrington, Lancashire, fancies the pants off 23-year-old Scouse stunna Anna and can't get enough of her 34C's.

He took over the shop in 2014 and the front covers of the *Sport* often caught his eye.

Ali said: "I love the *Sport* and read it three times a week, it's the best paper we get delivered by far."

"Where else can I read the most outrageous stories and get to ogle beautiful women like Anna?!"

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

#CAM GIRL OF THE WEEK

BABESTATION beauty Olivia Berzinc has her favourite sex positions...and always makes sure she's in charge of a man.

The busty 26-year-old stunna, from Burton-on-Trent, has a winning formula that makes men want her even more than they already do.

And the 36F babe exclusively told us all about it. She said: "I absolutely love reverse cowgirl. It feels so good for me and the guy gets a really good view as well."

"Everyone wins with this position. He can put his hands wherever he wants and run his hands all over my body."

Kinky

"I love most positions, but given the choice it's reverse cowgirl all the way."

"I believe you have to show a man who is boss. Sometimes I like to tie them down to the bed – it's really kinky."

"I'll make them sit helplessly to begin with while I bite their neck,

then I'll start to strip in front of them."

"But they have to be literally begging for it before I start. That makes them want it so much more and the sex is always better."

Olivia added: "I know who I am and I'm definitely in charge."

If this saucy vixen has got your pulses racing, log on to Babestation where Olivia and a whole host of girls will be stripping off just for you.

THE GRAND NATIONAL FESTIVAL STARTS THURSDAY

Milans ready to raise Bar for Bryony

RIISING STAR FROST GETS CHANCE TO FOLLOW IN DAD'S FOOTSTEPS

MILANSBAR is primed for Saturday's Grand National.

Neil King's chaser is guaranteed to get a run in the big race at Aintree. And he looks set to be one of the highest-profile hopes as he'll be partnered by top female jockey Bryony Frost. Her dad won the race on Little Polveir in the 80s and she's already proven herself in big Saturday contests this season.

Thanks to some runners coming out of the entry list, Milansbar comes in at 38 with 40 guaranteed to face

By **MIKE FRANCIS**

the starter at the start of 4m2f.

Trainer King breathed a big sigh of relief: "We were delighted to get the confirmations to see that he definitely gets a run."

"The horse is in great form, so we can look forward to it."

Milansbar won the Warwick Classic Chase last time — the same contest that 2017 winner One For Arthur scored in before heading to Aintree.

That was the first and only time Frost had ridden

him and the pair quickly built up a winning partnership.

Since then, the pair have been reunited for a training session over the special Aintree style fences that have been built in Lambourn to help trainers.

School

King said: "It's great to have Bryony on board again. She schooled him over National style fences in Lambourn the other day and all went well."

"He's done all his work - he had that school the other day. It's just a case of keep-

ing him happy now." There are set to be plenty of disappointed owners and trainers as 63 horses are still left in the race.

Top of the list of Jonjo O'Neill contender Minella Rocco who finished second in last year's Cheltenham Gold Cup.

He has Noel Fehily on board after Barry Geraghty chose to partner another JP McManus-owned horse, Anibale Fly.

His racing manager Frank Berry confirmed: "Barry Geraghty rides Anibale Fly, Noel Fehily is set to partner Minella Rocco, Mark Walsh

will be on Carlingford Lough and Richie McLernon will be on Regal Encore.

"We don't know about Pendra yet."

"As of today they are all in great form."

Nigel Twiston-Davies has too good chances with Blaklion near the top of the weights and Double Ross right at the bottom in the No40 slot.

There were no surprise withdrawals with leading Irish hopes Tiger Roll for Gordon Elliott and Total Recall, who won the Hennessy for Willie Mullins both left in the line-up.

FROST REPORT:
Bryony is one of racing's rising stars

BAD NEWS: Henderson

Buveur D'Air out of Aintree Hurdle

CHAMPION Hurdler Buveur D'Air will miss the National meeting — because he's caught a cold!

Nicky Henderson has decided not to aim his star at a second Aintree Hurdle on Thursday.

He was a hot favourite for the race but is a bit under the weather after his exertions at Cheltenham last month.

Henderson said: "His trachea wash was just not very clever."

"He's got a bit of mucus and it's messy in there. It's not right, so it's not fair to run him if it's not."

"It is a very routine procedure, and something we do with all of our runners, but he was found to have a small amount of mucus which means unfortunately we just cannot run him."

"It is terribly frustrating, but the horse's welfare is of paramount importance and it tells us he is not 100%."

"His work has been great, but you can never tell until you take these trachea washes and it is telling us that it would be unwise to run him."

Champion

"I have spoken to his owner JP McManus and it is extremely disappointing as this race had very much the plan ever since his win in the Champion Hurdle and he had ideal ground conditions too, so this is a bitter blow."

Henderson could send him over to Ireland for the Punchestown Festival at the end of this month.

But it sounds like the champion trainer would like to put Buveur D'Air away for the season.

He added: "There is the option of Punchestown's Champion Hurdle and we will think about it, but at the moment our main priority is getting Buveur back to full health."

Meanwhile, former dual King George VI winner Silviniaco Conti has died after an accident in a team chasing event.

Former trainer Paul Nicholls said: "I am really upset to report that Silviniaco Conti has died following an accident while team chasing on Sunday."

"He was a brilliant horse with great scope and won seven Grade One chases for us including the King George VI in successive years and also six Grade Two chases."

THE WINNING POST

Orleans good as New

THE loss of a good looking Nottingham card has taken the shine off what looked a top day of racing but thankfully the all weather comes to the rescue again.

Hugo Palmer will be hoping NEW ORLEANS (NAP) can break his maiden tag at Lingfield. He has been a work in progress over the winter and he is slowly putting it all together now handicapping and his previous two runs have been full of promise.

With this in mind I think he could be a lot better than a mark of 69 and with the benefit of being the only horse in the race with experience I think he could take all the beating.

The slight worry I have is that perhaps he may not get the cover nor the strong pace which he seems to thrive off, but I'm hoping that he has the

By **BEN MORGAN**

requisite experience to cope with whatever comes his way.

In the last race at Lingfield I think AMANTO could be an interesting proposition now dropped in distance.

Ali Stronge's charge has shown ability on the flat but has struggled to put two runs together but he has shown his best form over this sort of distance.

A strong travelling type, who should have no worries with the drop in distance, has the help of 3lb claimer George Wood.

With his claim taken into consideration, he is 11lb below his last winning mark and I think that could be enough to take him into the winner's enclosure.

Tom Lacey remains in good form and I have been monitoring his DORKING BOY as he seems to have been entered nearly everywhere just recently.

Unfortunately every time he has been declared the weather has put pay to his chance and the card has been lost.

However, I have noticed that a top jockey has been booked to ride each time which is a hint that I can't ignore. I'm hopeful of a bold showing in receipt of weight.

LAWLESS SECRET is a consistent type and it can't be too long until he gets his head in front.

Simon Crisford's charge is a tough sort and arguably hasn't ran a bad race in his career so you can almost guarantee a run for your money with him. In form Oisín Murphy is on board and I hope for another good run.

Surrey snap up Morkel on two-year deal

CRICKET

FORMER South Africa fast bowler Morne Morkel has signed for Surrey until the end of next season.

He is a "Kolpak" player which means he doesn't count as the county's overseas professional.

Morkel has just retired from international cricket after helping South Africa brush aside Australia in the "sandpapergate" series.

The 33-year-old was still performing strongly and finished his Test career with 309 wickets.

He will play for Surrey in all formats of the game over the next two seasons.

Morkel is delighted to make the move.

He said: "It is a real honour that Surrey have asked me to join their club after my retirement from international cricket."

"I've got fond memories of playing at The Kia Oval for South Africa."

Skipper

"I am looking forward to settling into London with my family for the summer, making new friendships with team-mates and hopefully great memories on and off the field."

Surrey have strong recent links with South Africa players.

Former Proteas skipper Graeme Smith and batsman Hashim Amla have both turned out for the south Londoners.

Surrey director of cricket Alex Stewart is delighted with the signing.

He said: "Following his

SURREY MAN: Smith

retirement from international cricket I am very pleased that Morne has signed for Surrey for at least the next two years.

"He has had an outstanding career with South Africa and is a player that will add enormous strength and vital experience to our squad."

"His appetite to continue playing and most importantly performing was very evident from our very first conversation."

"He sets exceedingly high standards for himself and for our young bowlers to have the opportunity to train and play alongside Morne can only help to develop their own games."

"We look forward to welcoming Morne and his family to the Kia Oval for the start of the season."

Morkel is likely to make his debut for Surrey when the County Championship season kicks off in two weeks.

They face Hampshire at the Oval in the opening round of fixtures.

CLEAR: Sebastian Vettel has a 17-point lead on Hamilton already

Wolff fears title may ALREADY be way out of Hamilton's reach

By JACKIE WALKER

MERCEDES boss Toto Wolff admits the team's slow start to the season may have already cost Lewis Hamilton the world title.

The Brit's endured a mixed opening to the campaign while Ferrari have roared to a pair of victories.

It means Sebastian Vettel has already opened up a 17-point lead over Hamilton heading to this weekend's race in China.

That already looks a yawning gap, especially as Mercedes continue to have

problems with their car in the early stages.

Issues with the gearbox meant Hamilton started in ninth place and had to pull off some fancy overtaking to squeeze on to the podium in Bahrain last weekend.

It hasn't lifted the mood at Mercedes after they threw away the win in Melbourne thanks to miscalculating where rival drivers were on the track.

Hamilton has been trying to put a brave face on it, saying getting so high in the

points was some achievement after the gearbox change cost them a grid penalty.

He said: "It's a great result. We would prefer we didn't have the gearbox issue but I was really happy with the race pace."

Lost

But team manager Wolff is making much more cautious noises about how the campaign has started for Mercedes.

He said: "If you add the points we haven't made over those we could've made in the first two races, it could de-

cide the championship down the line.

"Seven points probably lost for Lewis in Melbourne. I don't think he'd have been better than third in Bahrain because Sebastian was too far away."

"So drivers' championship seven points, constructors' we lost seven in Melbourne and seven in the second race. Those 14 points could make a difference in the end."

Despite that pessimistic note, Wolff believes Mercedes have a car capable of getting past Ferrari in the very near future.

He added: "What was in-

TO THE CHINESE GRAND PRIX

OTTA GO

BAD START: Mercedes are having problems in the early stages of the drivers' title race

interesting was that the pace of the Ferrari was not as good as we expected after qualifying.

"They were fuel saving from the beginning, which for sure cost them performance.

Saving

"I think we could've probably have been able to go a bit quicker than the Ferraris.

"I don't know when Sebastian started to fuel save — Kimi pretty early on — but if he was not fuel saving, we were at least on the same pace on the super-soft tyre.

"On the medium, our pace was very satisfying but we

obviously didn't see that tyre on the Ferrari."

Hamilton has a good record in China and is hoping to open his win account for the season in Shanghai.

He said: "Shanghai has been a good hunting ground for me so I really hope we can go there with some strength.

"This has been a tough weekend for us. Ferrari have shown they are a force to be reckoned with.

"We have a serious fight on our hands and it is going to take a unified group strength to try to fight them away.

"It is close but we definitely have to do a better job."

SHOWMAN: Luke McCormack

Twins prove a knockout down under

COMMONWEALTH GAMES: BOXING

ENGLISH twins Pat and Luke McCormack have both guaranteed themselves medals after reaching the Commonwealth semis.

Luke had the sweeter victory, silencing the Aussie crowd by beating Liam Wilson in a thriller.

Then Pat followed his brother into the medal matches with a unanimous win over Ugandan Musa Bwogi.

The twins fight for Birtley Boxing Club in Gateshead, which could have another medallist if Calum French wins his lightweight quarter-final against Manish Kaushik today.

Luke inspired his brother to hit the heights with his flamboyant celebrations after being an Aussie in his own back yard.

Pat said: "I watched Luke on the television and I love his showboating.

"I think he gave the crowd something to enjoy even though he beat the Aussie.

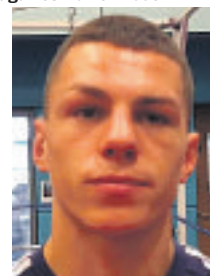

Ban

"I thought I performed well too. It was a different sort of opponent, he didn't really come in much and was a bit stronger than the last guy but I got the dominant win I was looking for."

Luckily the brothers are different weights and cannot meet each other in the games — that would have been some occasion!

Meanwhile, Northern Ireland boxer Sean McComb has picked up a fine and a ban after an "incident" outside a nightclub in Brisbane.

The light-welterweight lost his round of 16 fight

INSPIRED: Luke McCormack against Luke McCormack earlier this week. The incident at the club in Surfers Paradise happened in the early hours of Tuesday morning.

A Northern Ireland team spokesman said: "Sean was involved in an incident outside a nightclub in Surfers Paradise.

"As an association we will be gathering the full facts before any further decisions are made."

A Queensland Police statement read: "A 25-year-old man from Northern Ireland was issued with an infringement notice for public nuisance overnight after police were called to a Surfers Paradise nightclub at 2.45am.

"It will be alleged the man was creating a disturbance and police were called. No one was injured.

"The man was also issued with a banning notice for Surfers Paradise and Broadbeach Safe Night Precincts. The value of the fine is \$756 (£412)."

TOO FAR IN FRONT: Ron and Real did the damage in Turin

THERE'S no Sergio Ramos for Real Madrid in the Bernabeu this evening for the second leg of their Champions League quarter-final with Juventus.

But the Italian side must do without both Paulo Dybala and Rodrigo Bentancur and it would be a huge shock if the Old Lady were in Friday's draw in Nyon.

This is the only silverware the Whites can, realistically, win this season and they have scored in each of their last 24 Champions League games.

We have some great clubs in the Premier League with a rich heritage but Real Madrid are looking to reach the last four for a record eighth successive season.

The hosts are 8/13 at BetVictor to win in the Spanish capital with the draw 7/2 and Juve 17/4.

Cristiano Ronaldo has scored nine times in the CL against the Turin outfit and no player has ever scored 10 or more goals against the same club in the

LOOKS SIMPLE FOR RONNY & CO

competition with Ronaldo also scoring nine against Bayern and Messi nine times against Arsenal.

Ronaldo is 27/10 with BetVictor to open the scoring and 4/6 to find the Juventus net at some time during the tie this evening. Juventus must attack if they want to try to overturn the first leg (0-3) deficit and that will leave them vulnerable on the break.

Bayern were not particularly impressive against Sevilla in the first leg but they are likely to be a different proposition back in Munich although their odds of 2/9 make no appeal.

The Spanish outfit have never reached the last four of the CL and the Bundesliga outfit have won their last seven CL games.

I hope to see the winners of the all-Premier League

quarterfinal and Real Madrid kept apart in Friday's draw as I think one of that pair will lift the Trophy in Kiev next month.

★ In tomorrow's Premier League of Darts, I hope to see Peter Wright gain just a second success of this year's competition against Raymond van Barneveld.

Barney beat Snakebite 7-1 in Glasgow last month but he is in much better form of late and if he can get his nose in front he can see off the Dutchman.

Wright is 11/10 to win at BetVictor to win in what is sure to be an emotionally-charged atmosphere in Sheffield a week after the passing of Eric Bristow.

★ Tomorrow sees the start of Aintree's Grand National meeting, but we will not be seeing dual Champion Hurdler Buveur D'Air

in action in the Aintree Hurdle after Nicky Henderson reported his inmate had scopped badly and would miss the Grade 1 contest.

Nine will though go to post including Jessie Harrington's Irish raider Supasundae who is the 4/5 favourite at BetVictor with the admirable The New One 4/1 and My Tent Or Yours 9/2.

The Irish raider finished runner up in the Stayers' Hurdle last month but this drop down in trip is of no inconvenience.

Of more interest from a betting proposition is Grand Vision (6/1 at BetVictor) in the Foxhunters' Chase for Colin Tizzard – it is hard to come from a long way back over this 2m 5f trip on the National course and the grey looks sure to be ridden prominently.

PATIENT: McCoist

Gers will give Murty time says McCoist

ALLY McCoist has backed Rangers boss Graeme Murty to get through his current crisis.

Rumours coming out of Ibrox suggest the manager will get the boot if the Light Blues lose to Celtic in the Scottish Cup semi-final on Sunday.

Murty still doesn't know if he'll be in charge of the club next season and recent form hasn't been in his favour. But Rangers legend McCoist believes a big win at Hampden could kick-start the gaffer's career and see him keep the job for the long haul.

Super Ally said: "I don't think the chairman Dave King will be saying he has to win the game or he's not getting the job."

"I think you have to take a step back and weigh everything up."

"Has there been an improvement in the team and the squad, a better level of player and more consistency? Yes."

"So there's a lot of pluses – but the question is has the improvement been enough for the board for Graeme to get the job?"

CHAIRMAN: Dave King

Wrong

"Or do they believe someone else could come in and make a quicker improvement?"

"This weekend is a must-win game as all Rangers games are but I would say it is totally wrong to say this is Graeme's last chance of getting the job."

Gers chairman King stirred the pot earlier this week when issuing a statement that praised Murty since stepping in for the sacked Pedro Caixinha. But he stopped

short of telling the interim boss that he would keep the job beyond the end of the current campaign.

Steven Pressley – one of the few to have played for both Old Firm clubs – says that only piled on the pressure by not mentioning the job.

But McCoist believes the chairman did the right thing.

He added: "If you read Dave's statement, I don't think there's an awful lot wrong with it."

"Maybe the timing will have surprised a lot of people."

"But from where I'm sitting, he hasn't said who or who isn't getting the job."

"He's very aware of the fact that in most people's opinion, Graeme has done a very good job so far and would certainly come into the running longer term to get the job."

"I think a lot of people have interpreted Dave as saying he isn't getting the job but I certainly haven't taken that from reading the statement."

FIGHTING TALK: Bale

Bale's on warpath to stay at the Bernabeu

GARETH Bale is fighting to save his Real Madrid career.

There has been constant talk of the Welshman leaving the Bernabeu this summer and coming back to the Premier League.

Boss Zinedine Zidane left him out of the Champions League quarter-final with Juventus, which was seen as another sign that Bale's time is up.

But his camp has come out swinging and are adamant that all is well in the Spanish capital.

The 28-year-old's agent Jonathan Barrett has poured buckets of cold water on talk of him leaving the club.

He said: "Gareth is a Real Madrid player and loves Real Madrid and Real Madrid love Gareth."

Positive

"All this talk about leaving is written by reporters who have no idea what is going on and who need to write something and don't care if it is true or not."

Despite those positive noises, it doesn't look good for Bale in Madrid.

He is getting the same sort of treatment as James Rodriguez before he was shipped off to Bayern Munich.

Zidane has grown frustrated with Bale's lack of goals this season.

His return of just 11 is poor given who he plays for and how many strikes he usually gets in a campaign.

EDEN Hazard believes missing out on a Champions League spot can bring the title back to Stamford Bridge.

Chelsea are enduring a poor season by their standards and sit fifth in the table. They are a whopping 10 points off the top four with just six games remaining.

It makes it highly unlikely that they will qualify for next season's Champions League. That has sparked fears of an exodus among the club's top players who want to play in the competition. But it appears that Hazard believes missing out could inspire the Blues — as it did two seasons ago.

The last time Chelsea were missing from Europe's premier competition they had a brilliant season at home and won the Premier League.

Hazard believes lightning could strike twice.

The Belgian said: "I hope, for the Chelsea fans and ourselves, that we can achieve something."

"We still have the FA Cup to play for so we need to bring this trophy to Stamford Bridge at the end of the season."

"When you play for Chelsea you want to be in the Champions League every year but last year we didn't play in it and we won the

By MARK NAYLOR

title, so sometimes a bad thing can create a good thing.

"But we will try our best to qualify for the Champions League, for sure."

Whatever happens it's certain there will be a new man in Stamford Bridge dugout next term.

Antonio Conte admits he has endured a frustrating time with the club since lifting the Premier League trophy 12 months ago.

There was a rumour doing the rounds yesterday that the Italian had already walked out on the club — reports quickly denied.

The Italian said: "When I talk, I'm frustrated for everyone. For myself."

Improve

"We win together, lose together, draw together. When we have this type of result we have to share the responsibility together, not with this or another."

"This is not right. We must improve but, this season, I'm repeating this many times and I'm getting bored. You're listening always to the same: not clinical."

Clinical is word that is usually associated with Chelsea owner Roman Abramovich who doesn't think twice about making a change at the top.

Juventus gaffer Massimiliano Allegri is the name that keeps coming up as Conte's replacement.

Mixed messages are coming out of Italy about whether he wants to step into the lion's den at the Bridge.

The bookies are clear that former Barcelona boss Luis Enrique is in the driving seat — he's still even money favourite to take over.

KANE: GIVE ME MY GOAL BACK!

HARRY Kane is adamant he scored his 25th goal of the season against Stoke at the weekend.

The Tottenham hitman celebrated after he appeared to touch a Christian Eriksen cross past Jack Butland and into the net.

Kane says in the strongest possible terms that the ball brushed his shoulder on the way to the goal.

And he was stunned to have the strike taken off him to be studied by the dubious goals panel.

It did look at first glance that Kane had touched the ball and diverted it home. There were no

By ANDY MILLOM

celebrations from Eriksen to suggest he was trying to claim it.

Kane couldn't have put it clearer when he said: "I swear on my daughter's life that I touched the ball, but there's nothing I can do."

"If they turn it around, they turn it around. If they take my word, they take my word."

Tottenham have appealed to the Football Association to have the goal given back to Kane.

They studied the footage last night and will reveal their verdict today.

All strikers are nuts when it

comes to goals but Kane is especially keen to get this one on his tally.

He hasn't scored since the end of February — largely thanks to an ankle injury.

In the meantime his big rival for the golden boot — Mo Salah — has been banging them in for fun.

The Egyptian has opened up a five-goal gap in the race and leads with 29 strikes.

Kane would clearly like to get his Stoke goal back and believes he has every chance of hauling in the Liverpool hitman.

He said: "I still believe I can catch him."

"Whatever happens, there are

still games to go in the Premier League.

"I've got to focus on my game. I can't control what Salah does."

"Obviously as a striker, it would be great to win the Golden Boot again and I will keep working hard from now until the end of the season."

Kane does have one advantage over Salah in that Tottenham have six league games left, while Liverpool have just five.

He has his next chance to hit the target this weekend but it won't be easy in Saturday night's late kick-off against Manchester City.

GIZZA GOAL: Kane wants this Stoke strike

UNHAPPY: Rashford

Rashford wants to get away from Jose

MARCUS Rashford is being lined up for a sensational transfer this summer.

The Manchester United striker is fed up of being left on the bench by boss Jose Mourinho.

Old Trafford insiders say the 20-year-old is angry at having started just 14 Premier League games this season.

The signing of Alexis Sanchez from Arsenal put another hurdle in his way to becoming a first-team regular.

Since the Chilean arrived Rashford has moved further down the pecking order.

He has made just five starts from the past 16 United matches.

While any other team in the country would have Rashford straight in their side, for some reason Mourinho is reluctant to give him a game.

It was the same situation in the Manchester derby where Rashford was brought on just for the final eight minutes.

His frustration has alerted a host of clubs, including some of the biggest names on the continent.

Marooned

The derby snub is thought to have been the final straw for Rashford, who has been with the Reds since he was just seven.

Even when he has broken into the team, the forward is frustrated about being marooned out on the wing rather than playing closer to Romelu Lukaku.

Fortunately, England boss Gareth Southgate is being flexible when it comes to Rashford staying in the national team.

He has a policy usually of only picking players who are regular starters for their club sides.

That would put Rashford's England position in doubt — but Southgate will continue to keep faith in him.

Should he shine at the World Cup finals in Russia, the offers will come rolling in to United.

While they would be able to fight off the likes of Spurs and Chelsea, a good display for the Three Lions would see PSG, Barcelona and Real Madrid in the mix.

If Mourinho stays at Old Trafford, Rashford would jump at the chance to join one of those clubs in August.

EUROPA LEAGUE QUARTER-FINAL

FIGHTING FIT:
Alexandre
Lacazette

BIG Per Mertesacker believes Alexandre Lacazette will take his chance to shine against CSKA Moscow.

The French forward has had injury problems since his big-money summer move from Lyon.

After a bright start, he was sidelined with a knee injury that required painful surgery.

While he was on the sidelines, Gunners boss Arsene Wenger took the padlock off his wallet and brought in Pierre-Emerick Aubamey-

ang in attack. For many, that seemed to signal that Lacazette was not going to be at the club for much longer.

But he's over his injury now and took advantage of Aubameyang being cup-tied to blast in a double against the Russians in the first leg.

Mertesacker has been impressed with the fighting spirit shown by the £53million man.

And he thinks CSKA are in for another tough time trying to contain him in the

second leg of their Europa League quarter-final.

The German said: "I was delighted for Alexandre Lacazette to score another two goals against CSKA because I witnessed how hard he worked when he was injured.

Strength

"Laca is one of many players who can make the difference for us.

"If you get the ball to him in the box, you know that he has the ability to score from anywhere.

"That's a strength we must identify and take ad-

vantage of. Laca really deserves these goals — he's rewarding himself and all of us for his hard work.

"I'm really pleased because he's a true team player."

Lacazette has also had words of encouragement from Frank Lampard, with the former England legend urging him to show his true form in a red shirt.

He said: "Now is the time Lacazette has to cut out everything going on outside at the club.

"He is a bit hurt that the club have gone out and spent money in January on Au-

bameyang but it's still all there for him.

"Aubameyang is cup-tied in the Europa League so he knows there is a great chance to start every game.

Scrutiny

"Arsenal will need him if they get past CSKA Moscow as expected on Thursday and then play teams like Atletico Madrid or Lazio in the last four.

"Strikers make the difference in these kind of games. There is even more scrutiny on him.

"If he can show he can react, then there's nothing

MERT'S LACAZETTE ACKER

Gunners skipper believe French ace can show his class against Russians

wrong with Arsenal having two top strikers in the squad, whether they play together or are rotated.

Lacazette is not the only one accused of being up and down through the season. Mesut Ozil divides fans and pundits alike as he sways from looking like a world-beater to playing like a panel-beater.

The German was at his brilliant best in the first leg as CSKA were spanked 4-1.

His recent form in general has been good with six assists in his past five games.

Former international team-mate Mertesacker

knows where is even more to come from Ozil.

He said: "There's still more to come from Mesut, as I've always said.

"There is so much potential there but he still has more to give.

Linked

"He was heavily involved in all four goal against CSKA and we need him to be as valuable as that in every single game.

"I enjoyed seeing the way Mesut linked up with Aaron Ramsey.

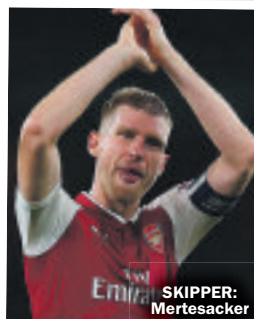

"Aaron is at his best when he makes those brilliant late

runs into the box and shows how dangerous he can be. He has almost perfect timing and is great at that late arrival into the box."

The Gunners have only minor injury concerns as they head to Moscow.

Henrikh Mkhitaryan limped out of the first leg and won't play, although he is expected back in training in two weeks despite earlier fears of it being a bad one.

David Ospina had been playing in the Europa League but missed the first leg with a sprained ankle and will not be back in time for tomorrow's match.

ITALIAN
JOB:
Dembele

It's Dembele v Can for move to Juventus

MOUSSA Dembele could scupper Emre Can's move from Liverpool to Juventus.

The Tottenham midfielder is also on the radar of the Italian giants — and wouldn't cost more than the German even though he's on a free.

That's because Can is likely to ask for an astronomical signing-on fee from Juventus if he walks out of Anfield this summer.

Dembele has 12 months remaining on his deal at Spurs but the 30-year-old wouldn't break the bank despite being one of the best midfielders in the Premier League.

Even though Can is younger at 24, few pundits would say he's a better player than the Tottenham man.

Dembele says he won't talk to Tottenham about extending his deal until after the World Cup in Russia this summer.

Spurs will be desperate to keep him as they move to the new White Hart Lane.

Weak

He has become one of the most important members of their team with a string of strong performances in the middle of the park.

That has attracted the attention of Juventus who looked weak in the position against Real Madrid in the Champions League.

Dembele said: "At this moment, I am very happy at Tottenham.

"I do not lie when I say that I do not think about a big transfer.

"I want to play a World Cup and afterwards we will see.

"Really, I'm not aware of

DELAY: Emre Can

the interest of other clubs. And, besides, I told my agent to wait for the summer to tell me about any offers.

"For now, I'm only focusing on Tottenham. Maybe this is my last season.

"Or maybe I'll sign a new deal. We'll see."

Juventus general manager Giuseppe Marotta is getting fed up of Can's messing around.

He has told the German to make his mind up in the next 10 days because he "wants to conclude this soap opera".
